PRESIDENT'S CORNER

Hi Katydids,

Here it is September and we just finished August with many GREAT activities! First was dancing at the Santa Clara County Fair, then Morris' very refreshing Root Beer Float Night. The next week, we had 5-6 squares for our Hot August Night with a successful used square dance clothing sale. Thanks to Pat and Maxine for setting everything up and Maxine and Doris Smith who sold the clothes. Because there was a newer dancer hoedown on Saturday night, we left everything set up and sold that night also. Eight people had things to sell beside three large storage boxes we had stored of Katydids previous donations. Total sales were \$637 with \$219 going to the Katydids, \$60 to pay for an extra floor moping when needed and the rest to the eight other people. Thanks to those who helped us pack everything up for our next sale. The last Friday of the month was Women's Equality Day with a few ladies dressing for the occasion! To finish our fun month was a great Pizza Party at Eric and Jacky's home where we rolled out our own pizza dough, loaded it with wonderful toppings we all provided, and then watched Eric bake it in their outdoor oven. We all enjoyed sitting in their nice shady back yard, visiting, eating our pizza and salad, and later watermelon. Those who were not able to come missed out on a fun afternoon!

The Katydids are now on Facebook. I am looking for some volunteers to help with posting of photos, Posters and comments on our Facebook page. The name of the group is the "Katydids Square Dance Club". If you have questions, just ask me.

Greetings from Colorado

For the past week I have been in Colorado visiting my twin brother, Rod and sister-in-law, Cathy. We had a small BBQ to visit with the family. We took a couple of side trips. We went over to Greeley to see the Model Railroad Museum. Its the largest in the USA. We also went up to the Cheyenne Depot Railroad Museum in Wyoming. Both were very interesting. My last day we had time so we went up to Fort Collins to have a tour of the Budweiser Brewery to see how they make beer.

Happy Square Dancing,

Don Village

Chirper Chatter...

Square Dance Calls Picture Puzzle Time...

Last month's answers:

#31 – *Swing Thru*

#32 – *Pass the Ocean*

#34

Photo Puzzle Time...

Where is the wettest spot on Earth? (And it's not the Amazon.)

Last month: Where is the most expensive city to live in? Answer: *Singapore* ...

This city has recently beat out Tokyo, Japan, for the title of "most expensive city" for 2014. Cars can cost between 4-6 times as much in Singapore from what the cost in the US or UK (for example, a Toyota Prius actually costs about \$150,000 there).

Life Puzzles of Members & Friends...

Thank you all for your expression of concern for **Louise Hosoda**. She still continues to exercise faithfully, such as her daily walks using a walker. I have to really walk to keep up with her. Her PT gave a balloon to exercise with. The round balloon is inflated to about 12" diameter and I get involved again. We hit the balloon back-and-forth standing about 5' apart. It really is a good exercise as well as for eye-hand coordination. Try it...you'll like it. The real reason why you won't be seeing her much is because of the one medicine she takes that lowers her immunity so she must avoid social contact. I do not know how long she will be on this medicine...

Our first lady, **Maxine Darknell** underwent cataract operation for both eyes on Friday, Aug. 26. As all former cataract patients know, assortment of eye drops are required before and after the operation for several weeks. With both eyes, **Lloyd** is relegated the duty of placing eye drops at certain times of the day and for how long. Take care **Maxine**...

Parker Willey has been showing up solo many times and the reason is **Sue Willey** is suffering chronic back pain. She is going in for a shot in a few days to help alleviate her pain...
