PRESIDENT'S CORNER

Hello Katydids and friends,

Well, yet another month as gone by and we are still (mostly) under shelter-in-place orders. Will this ever end . . . ? We certainly hope all are staying safe and healthy. At the past couple of Zoom meetings, there has been quite a bit of discussion about local hiking trails . . . sounds great if only it wasn't so smoky at the moment.

At our Zoom meeting Friday 4 September Jack Colistra started off with asking about our belly buttons (!) Skip wanted to know how many Lone Rangers there were (4). Jim showed us his first crystal radio kit from over 65 years ago. Skip shared that he had an uncle and grandfather who were amateur radio enthusiasts who heard the SOS call from the Titanic. Roger askedt where the largest square dance Convention was held. (Anaheim, CA in 1976). Liv is getting settled in her new community and discovering new challenges such as is remembering to get the stickers off her two dogs after coming in from a walk. And we also learned that frequent Katydids guest, Joan Bugado, will be having knee replacement surgery next Friday, 11 September. We wish her well and a speedy recovery. And, again, many THANKS to Jim for hanging with us on Friday evenings!!

By the way, in cleaning out the Club storage shed and the bins therein, we came across a shopping bag full of rolls of crepe paper in a variety of colors. Anyone have craft projects, or decorating needs is welcome to the bag. Just let me know that you would like it.

Be well,
Stephanie
